Here you are, surrounded by your loving family, Lily. Just like in those after-dinner walks with Joseph, there's a sense of peace and connection.

Look, Lily, can you see yourself there? It's just like a moment in time when your kitchen smelled like fresh banana bread, remembered so well by everyone.

Gathered here, you all share that warmth only a family can have, like the comfort of Sunday church visits and a beautiful afternoon at home.

In this photo, there's a gentle happiness, much like you find in your garden, where every plant's name dances on your lips with pride.

Look at you, Lily, embraced by family, akin to the closeness felt during those cherished movie nights with Forest Gump playing in the background.

Isn't this a lovely snapshot? It's like evening tea time, books in hand, where each moment felt like an adventure shared quietly together.

There's so much love here, Lily, like when you found peace playing the piano, your fingers moving with such wisdom and natural beauty.
